Dear Placement Head,

Greetings from Tata Power!

We are delighted to visit your campus for the **Pre-Placement Talk** through virtual mode as part of our placement season for the Batch of 2026 (deployment in FY 27).

Tata Power, India's largest integrated power company with a **109-year legacy**, is committed to "**Lighting Up Lives**" and leading the nation's clean energy transition. With operations spanning generation, transmission, distribution, and next-gen customer solutions, the company is driving innovation, digital transformation, and sustainability. As of FY25, Tata Power has 15,520 MW of installed capacity, including 8,600 MW from clean sources, and serves over 12.5 million customers. Renewables contribute 40% to total capacity, strengthened by Tata Power Renewable Energy Ltd.'s 10.9 GW portfolio. With a strong push toward green energy, grid modernization, and customer-centric solutions, Tata Power aims to become the "Most Preferred Green Energy Company."
